

(SBRCM)-*Elings Park Electric Flyers*

Checklist before you fly at Elings:

Three memberships are required:

1. Academy of Model Aeronautics (AMA) membership is required to provide liability insurance for activities at the site. Proof of current AMA membership is to be available when flying. Refer to the AMA website for the current regulations regarding the FAA registration for small UAS certification.
2. SBRCM membership is required, the current roster has been provided to Elings Park staff; no SBRCM membership card is required at the site at this time.
3. A “Elings Park Radio Control Permit” is required and should be made available when flying at the site. This annual permit may be purchased by contacting Elings Park.
4. Guests are permitted to fly for 30 days only when accompanied by a member.

Field Usage:

1. Hang gliders and paragliders have **PRIORITY** usage of the site and the right of way at all times. If in doubt, talk with the hang glider or paraglider instructors to coordinate your flying and comply with their directions.

Equipment

1. Electric powered aircraft and gliders **only**. An EDF (Electric Ducted Fan) or other high RPM (loud) electric planes are prohibited at this site. No Nitro or gas allowed.
2. No drones are allowed.
3. Only 2.4ghz radios are permitted.
